Am I rehashing in my mind some unpleasant experience, or am I constantly thinking positive and pleasurable thoughts? Knowing that every thought and belief is an affirmation, I now align my thoughts with happy outcomes – those which I truly desire to experience. Today I constantly affirm, “I’M ALWAYS SO JOYOUSLY HAPPY!”

THE POWER OF YOUR WORD

Louise Hay wrote, “Every day declare for yourself what you want in life. Declare it as though you have it. I believe that when we think a thought or when we speak a word or sentence, it somehow goes out from us into a law of mind and comes back to us as experience.” **THE POWER IS WITHIN YOU.**

And from **Florence Scovel Shinn**, “Our word is our wand filled with magic and power. We have the power to change an unhappy condition by waving over it the wand of our word And in the place of sorrow appears joy, in the place of sickness appears health, in the place of lack appears plenty.” **THE GAME OF LIFE AND HOW TO PLAY IT.**
